EL PASO, TEXAS — Capital Square Realty Advisors has acquired a newly constructed, 19,855-square-foot medical rehabilitation facility in El Paso that is 100 percent leased to Mentis Neuro El Paso. Located at 4360 Doniphan Drive, the single-story building was designed and built for use as a rehabilitation facility. The specialized building was completed earlier this year and is situated on 2.6 acres, which includes 46 parking spaces. The facility includes a therapy gym, full-service kitchen, outdoor patio and living areas. Mentis Neuro El Paso is a wholly owned subsidiary of Mentis Neuro Rehabilitation, which provides post-acute neurorehabilitation.
